Liftboy Industries, Sahibabad

www.cranesnlifts.com

Liftboy Industries is a well known manufacturer, supplier and exporter of heavy duty engineering components and material handling equipments We are an ISO 9001:2008 certified company of world renown.

Profile

Established in the year **2000**, we "**Liftboy Industries, Sahibabad**" are one of fastest growing **manufacturers, exporters, traders** and **suppliers** of **material handling equipment** in India. Our bouquet of wide range of products includes Overhead EOT and HOT Cranes, Jib Cranes, Electric Hoists, Winches, Chain Pulley Blocks, Traveling Trolleys, Goods Lift, Industrial Lift and Slings; besides these we also manufacture various other lifting equipments with accessories and spares. Liftboy is an **ISO 9001:2008 certified company** and all our products meet/exceed the specifications laid down by the Bureau of Indian Standards. In addition to these products, we also manufacture customized Material Handling Equipment as per the specifications/drawings of the customers.

The company's extensive design & engineering department uses latest technology to pioneer new application and creative solutions to customer's material handling needs. On the basis of our consistent research we have developed a new series of cost effective & efficient E.O.T. Cranes, Goods Lifts and other Lifting Equipments. Designed on F.E.A. they are very energy efficient and thus save you on the cost of your Columns, Gantry and Electricity.

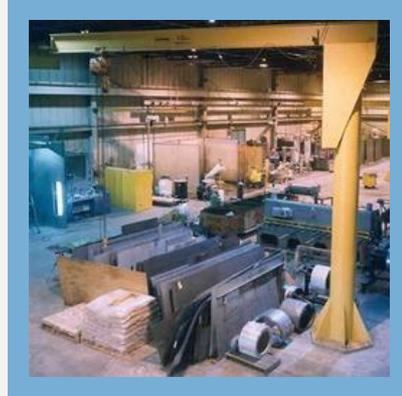

Under the expert guidance of our Proprietor, "**Mr. Kapil Gupta**" (Managing Partner), we have been able to meet the precise requirements of clients in the most efficient manner. Our products are extensively used in high priority government projects, industrial undertakings, public and private sector companies and have been appreciated by our distinguished clients. Our unmatched quality products have found numerous overseas clients, who have a long association with us and are fully satisfied.
